GEL-PAK ANNOUNCES NEW EAST COAST DISTRIBUTOR

HAYWARD, CA, APRIL 15, 2009: Gel-Pak, a division of Delphon Industries and leading manufacturer of device shipping and handling carriers used predominantly by the semiconductor, optoelectronics, telecommunication and medical industries announced today the appointment of **S&S Sales** as its new East Coast Distributor handling the New England area.

S&S Sales is headed by Scott Evans and Scott Rushia, who together have more than 35 years of experience in semiconductor equipment, materials, and services. "We're confident that our new relationship with S&S will provide New England customers with a higher level of local technical sales support and expand Gel-Pak's already strong presence in that market," says Darby Davis, Director of Worldwide Sales and Marketing for Gel-Pak. Gel-Pak will work closely with **S&S Sales** to support its customers in the New England area.

Background:

Founded in 1980, Gel-Pak, a division of Delphon Industries, has developed a line of device carriers and handling materials that offer solutions for applications where damage during handling must be avoided. The company's proprietary elastomer technology serves as the basis of its Gel-Box, Gel-Tray, Film, and patented Vacuum Release products. For further information on Gel-Pak's product line, please refer to their website at www.gelpak.com.
